

Native PDF extraction

Azərbaycan sənədi, English document, Русский документ

This paragraph is native text and must not require OCR.

Product	Units	Status
Alpha	10	Available
Beta	20	Pending

Two column reading order

Left column begins here.

The parser groups nearby lines.

Coordinates preserve provenance.

Native extraction remains active.

Right column begins here.

Whitespace separates columns.

Reading order stays deterministic.

No OCR should be requested.
